

Italian Wines  
Wednesday, January 26th  
Trapp Family Lodge Mozart Room

Italy is, in some vintages, the largest producer of wine in the world. In the years Italy isn't the largest, France takes the honors.

Italy, France, and Spain combined produce about half the world's wine.

We'd better do our share of drinking some of this bounty.

We'll taste wines from Tuscany, Piedmont, and Venetie

Two whites and three reds.

Price is \$30. Please call or see the front desk to place reservations. 802 253-5742. We begin @ 4:00. Please arrive no later than 5:00 to avoid losing your spot or feeling rushed. People come and go during the tasting which is an informal social format. We end at 6:00
