

A Selection of French Wines
Wednesday, February 1st
Trapp Family Lodge Wine Cellar

France is the original home to many of the grapes we are most familiar with here in the U.S.

Cabernet Sauvignon, Merlot, Chardonnay, Pinot Noir, Sauvignon Blanc and Syrah to name a few began their illustrious careers in various parts of France.

Wine production there goes back to Roman times.

They currently produce seven to eight billion bottles of wine per year.

We will taste three whites and two reds from several regions in France, all dry.

Price is \$35, \$10 for children (food only). Please call or see the front desk to place reservations. 802 253-5742. Doors open @ 4:00. I suggest you arrive no later than 4:45 to avoid feeling rushed or losing your spot. People come and go during the tasting which is an informal social format. We end at 6:00
