

Austrian Wines
Saturday, April 13th
Trapp Family Lodge Wine Cellar

Austria has a well-deserved reputation for making some very good wines. Fifteen years ago you'd have been hard pressed to find their wines outside specialty wine shops and Austrian restaurants. Today *Gruner Veltliner*, the most popular varietal in Austria, is becoming a staple in wine shops as well as non-Austrian restaurants. Pinot Noir is finding a happy home in Austria and overall, the wineries there are thriving.

We will be joined by Räm Hatley of Artisinal Cellars. He is about to travel to Austria to visit these wineries and he will discuss these wines with us.

Price is \$35, \$10 for children or non-drinkers (food only). Please register online at the Trapp Family Lodge website or call 802 253-5742 to place reservations. Doors open @ 4:00. I suggest you arrive no later than 4:45 to avoid losing your spot or feeling rushed. People come and go during the tasting, which is an informal, social format. We end at 6:00
