

California Zinfandels
Wednesday, April 17th
Trapp Family Lodge Front Lawn

Zinfandel originally came from Croatia, perhaps via Southern Italy where it is still known as Primitivo. But before recent DNA testing uncovered this history no one knew where Zinfandel came from and it has been growing all over California for well over a hundred and fifty years, so, many of us just came to think of it as our grape.

The name may have originated in Austria though no one's sure. At any rate Zinfandel, like our country has many European roots

The grape produces big fruity wines that will warm your heart, mind and belly.

Price is \$35, \$10 for children or non-drinkers (food only). Please call 802 253-5742 to place reservations or register online @ the Trapp Family Lodge website. We begin @ 4:00. Please arrive no later than 4:45 to avoid losing your spot or feeling rushed. People come and go during the tasting which is an informal social format. We end at 6:00
