

### ***First time skier:***

Ski along the snow fence in the meadow to get to Russell Knoll or Sugar Road trails. If there are no ski classes working on the teaching hill, feel free to practice your climbing technique and your snowplow stops. You'll be hitting the trails in no time!

### ***Beginner:***

Starting at the stadium trails, take the teaching track, Sugar Road and Fox Track to Picnic Knoll. Ski Russell Knoll from Picnic Knoll out to the bypass and return the same way--or be daring and try your snowplow stop on the short Russell Knoll downhill section.

### ***Advanced Beginner:***

*(Snowplow recommended)*

Take the stadium trails, teaching track, Sugar Road and Fox Track to Picnic Knoll. Ski Russell Knoll from Picnic Knoll out to the Russell Knoll bypass and continue to Old County Road to access the downhill Parizo trail or return via the Russell Knoll downhill section, or the Telemark loop!

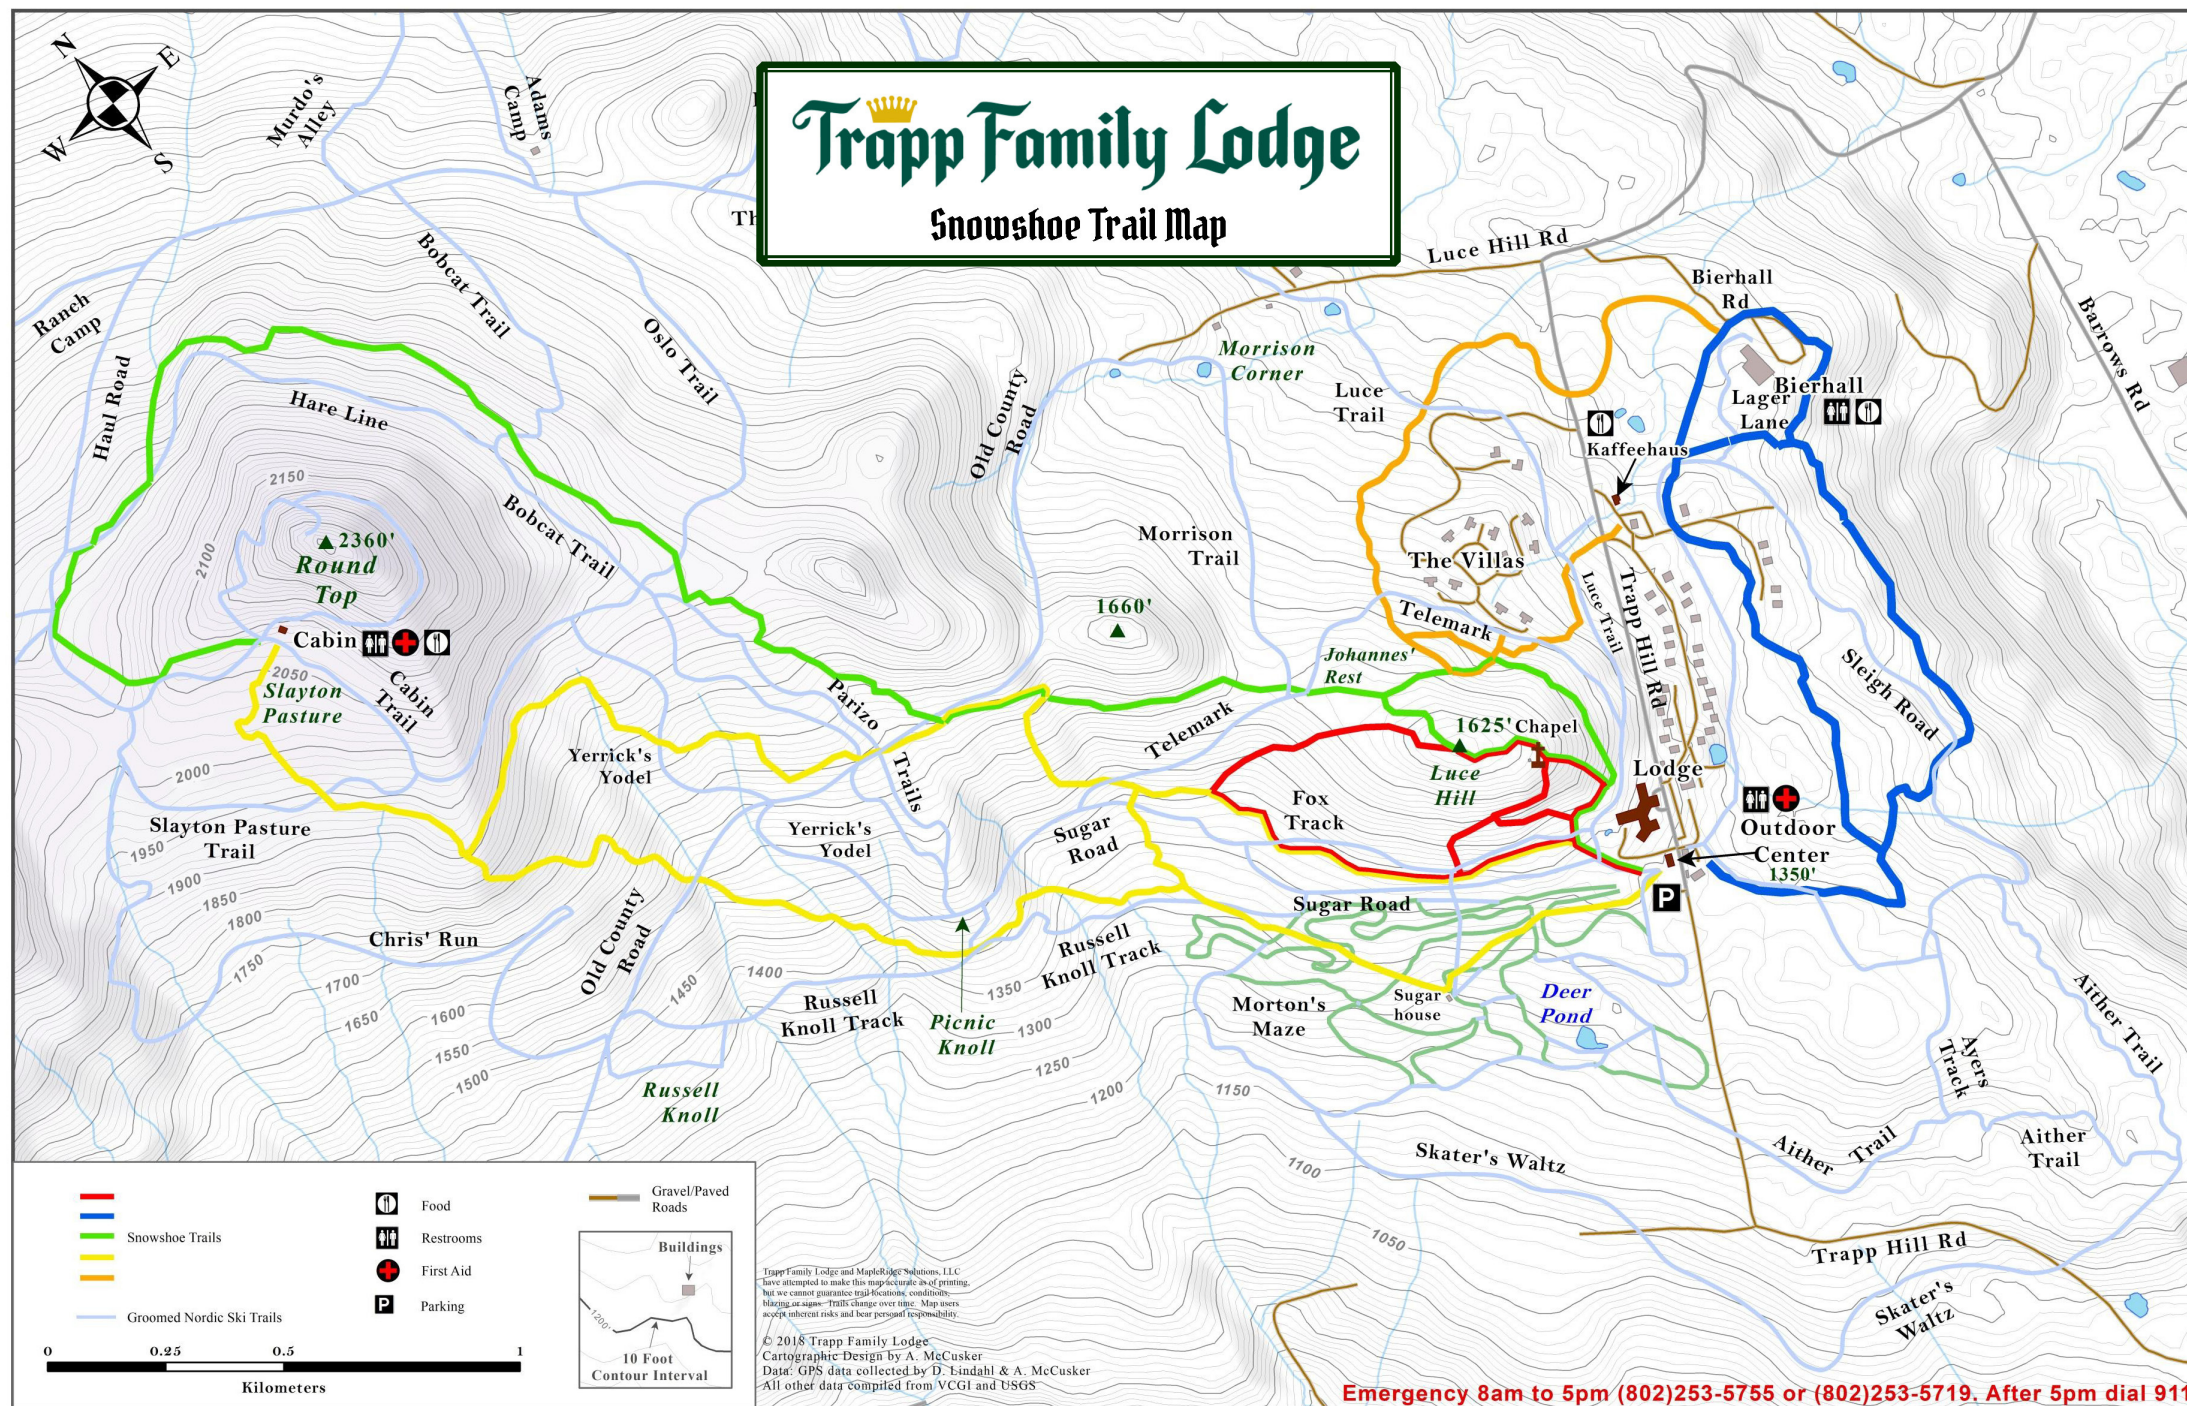

### ***Intermediate skier:***

Follow the stadium trails, teaching track, Sugar Road and Fox Track to Picnic Knoll. Ski Russell Knoll from Picnic Knoll out to the Russell Knoll bypass and continue to Old County Road to the downhill Parizo trail. Telemark loop, Deer Pond, Skater's Waltz and Sleigh Road.

*Over 40 miles of  
beautifully maintained  
terrain!*

Dashing through the snow is a great way to enjoy the outdoors in the wintertime, get some exercise, and have fun all at the same time! Our resort offers ample terrain where you can snowshoe on your own or with a scheduled group tour. Whether with a group or out on your own, we'll help you plan a route that suits your experience and confidence.

Snowshoeing is dependent on snow accumulation and weather conditions. Contact the Outdoor Center for trail reports and changes to scheduled tours.
